UNAUTHORIZED USE: The Company and/or any Cardholder will not be liable for unauthorized use of a Card which occurs after you notify us of the loss, theft or possible unauthorized use of a Card. To notify us, please call **866-341-5203**.

PAYMENTS: You may pay your New Balance in full at any time or pay it in installments, unless otherwise stipulated as a "pay in full" arrangement in your Agreement. If you choose installments, you must pay at least the MINIMUM PAYMENT. Payments must be in U.S. currency, by cash, check or money order drawn on, or cleared through, a U.S. bank and should be received on, or before the PAYMENT DUE DATE. If we receive your payment with the statement stub at the address listed on front, or in person at any one of our branches by noon on any Monday through Friday, that is not a holiday, we will credit your payment on the date it is received. Payments made in any other manner will be credited to your account within 5 days of receipt. You have at least a 25 day grace period from your Billing Date to repay your Purchases Balance(s) before incurring new Finance Charges. There is no Grace Period for Loans.

CREDIT BALANCE: If your NEW BALANCE or PREVIOUS BALANCE reflects a credit balance owing to you, it will be shown by a "CR" after the figure. Your business is entitled to receive a refund of any credit balance in excess of \$1, if you mail your request to us at the address shown on the front under "Questions".

CALCULATION OF FINANCE CHARGES: For Purchases, we use an Average Daily Balance (including current purchases) method. (You may have more than one Purchases balance.) To determine the Average Daily Balance, we add up all the daily balances (opening balance purchases plus new purchases minus payments) in the month and divide the total by the number of Days in the Billing Cycle. The opening balance includes any previously billed but unpaid Finance Charge and Annual Membership Fees. On your Billing Date, we multiply each Average Daily Balance by the appropriate monthly Periodic Rate to get the FINANCE CHARGE for Purchases. A Minimum FINANCE CHARGE of \$0.50 will be charged in each month in which any calculated FINANCE CHARGE for Purchases would be less than \$0.50.

For Loans, we use an Average Daily Balance (including current transactions) method. (You may have more than one Loans balance.) To determine the Average Daily Balance, we take the beginning balance for Loans on your account each day, add any new Loans and subtract any payments and credits. This gives us the daily balance. We do this for each day of the Billing Cycle. At the end of the Billing Cycle, we add the sum of these daily balances and divide by the number of days in the Billing Cycle to calculate the Average Daily Balance. To calculate the FINANCE CHARGE, we multiply the Average Daily Balance by the applicable Periodic Rate and multiply this total by the number of days in the Billing Cycle. The Loans Finance Charge includes, where applicable, TRANSACTION FEES in connection with each Loan, which have been previously disclosed to you as part of your Cardholder Agreement.

Unless this is stated to be a Variable Rate Account on the front of this statement, it is a Fixed Rate Account. If Variable, the Periodic Rates and the portion of the ANNUAL PERCENTAGE RATES based on the Periodic Rates may vary. The particular Variable Rate Index and Spread used for each Balance subject to FINANCE CHARGE have been previously disclosed to you as part of your Cardholder Agreement.

CREDITOR: This statement is mailed by and payable to HSBC Bank USA, N.A. in Buffalo, New York. Your Cardholder Agreement and Account are governed by the laws and regulations of the Commonwealth of Virginia, as well as applicable federal laws and regulations of the United States.
